1. What are you giving me this day, that I am giving you so much? Are you giving thee me? Or who what has leadership'd you so that you became not leadership, but them who knows nothing of my leadership or my words or that I have given them my all.
2. In all is everything I am, and everything all in all is me. And I love you to be me and I give you me this day. All that I have, all that I am. All that I "hope to be", not; for I am it all - now! BUT KNOWING IT -- who does?! Who knows and cares? Me.

3. Green about the planet, not; but greening what now? Your wallets? Is that ALL THAT YOU care about now these days? Greening your wallets and having "enough to eat"? And satisfying your flesh, the flesh that "eats you alive"?

4. This is Theodore Cottingham November 30, 2008. It's now 10:51 AM as I record this in my living room having coffee. With you? What are you having coffee with? or do you know? or do you know my words? or do you ever eat them for breakfast lunch and dinner -- and supper? And where are we "gardening", tonight? Or are we gardening at all anymore?
5. Evermore, but not at "2139" East 56 Street, has gone bye-bye now. For I take you into my worlds that leadership'd are by my leadership -- me! ME ALONE!!! Who "have" my mind -- ARE MY MIND, -'d ones.

6. See what I have said and alter my words never, for coming unto me **new PUBLICATIONS come forth now. The Press of The University of The New Covenant publishes me, publishing me.** Still I sit and write for hours as I record just like these words are coming forth to you who will hear me and be blessed beyond the recognition of flesh, of a flesh man or woman recognizing flesh only as flesh thinks flesh is a part or corded one or – umbilical'd to each other. Are we THAT NOW? Or are we SOMETHING ELSE, somewhere else?, in the real that transcends the "thought-world" of the FUTURE that was PAST'D long before we arrived and now we are, sitting staring thinking at, coffee cups, not; but at each other? In the Real World? Or just still the thought-world that we thought was real when we were only flesh incarcerated in it?

7. I GIVE YOU A LEADERSHIP TEAM SECOND TO NONE. Parallel universes in, stop me not, or are they THEM, not? But what are the "are"-ing ones that now Are One in One School (1) that schools all to be the University I am of no

sorrows ever more. Acquainted with grief, not; but coming out of all that what are you doing now, where?, with who? And going where now, at lightspeed?, or Sooner Being the Sooners Fan Club, not; or are we "fanning" what? Fannie Mae, not; IT'S ALL OVER FOR THE TRADITIONALISTS WHO THINK ME IN NOTME THOUGHTS, not-mine thoughts, that mine not my thoughts on paper that I have given thee in recordings not few. And many more coming forth and WRITTEN SHALL BE MY WORDS -- through -- coming through "little ones" who; "know not their name", not anymore -- for they shall Be My Name in the earth for I am -- I am I AM!

8. And I am coming forth in the surrendered simple who love me enough to come into my words and KNOW them by being them by receiving them. By "believing them", not; but receiving them unto where I am so that I am knows that I am being talked about, spoken of, and revealed in these words to -- I am the Real One who is *READING THIS*!!!

9. See what I mean!? See what I mean and mean what I see with your meanness, not; but coming unto me let your words flow unto me so that mine -- I will know what mine are and you will know what *yours* are, not; but mine are and have a consciousness of one that only one is without you separating into two, twaining yourself into not-reality's -ville again. But being in the Real One now will you come unto it, come into it, and be it -- MY LEADERSHIP TEAM and teaming me with leadership all throughout the "caps" world, not; but the world that has been "Captained" by me, not; but the world that has made all Generals of the King in the King that the King is and only one being all are one I am.

10. Am I giving you new things? New things I am giving you -- every day! Every single day I come to you and give you new things, new words, that reveal YOU unto you! Don't you see this? I am not just talking to a "little" "man" in Israel-not, who lives in "Tulsa -ville" -- but I AM SPEAKING TO ALL OF YOU! And in these words will reveal YOUR KINGDOM TO YOU if you let it! If you let it! What will you let -- today -- be SEEN in you and you coming forth as the leader of the world, -s?

11. Do you know me? Do you care? Do you care about me or my words or your words or that they one words become the leadership of the worlds that come forth in one as one in surrender to be who I am. In need not again, but knowing lack not again, but creating it not again through your disbelief unbelief and belief in incarceration; -ville, come out! And come unto me and let me "sore" you not with heavy boils and laden bearing ones; that "beer the barrel", not; but barreling the be'ers again not! But letting all OUT the "barrel tubes" and letting all be free to roam in me the heavenlies -- that see now that that they are I am, and **I am coming FOR you**, not; I am coming **IN YOU** to be the leadership'd ones I am.

12. I have told you a lot in a few words. I always do! Don't I? Yes I do. I come unto you in so much love through these words and I blast the testimony of the

unrighteous who think they are the righteous who THINK they know the real world and the real Christ and that they are "subservient" to the real Christ; but not knowing him, not knowing them, not knowing that Christs are one and that one is all Christs that all Christs are surrendered to be Christ, they make a fool of Christ and a mockery of themselves that I am, and they proclaim the Gospel heirs of on "air" of a future tense and to become "adopted" as "sons" of righteousness when they don't even know the meaning of the term!, or the terms!, that I've used over and over to describe what reality real really is! And THEY, FALL OFF the wagon now -- for THEIR WHEELS will be WHEEL-less. Know what I have said, please.

13. I come unto you -- as the bells ring -- and the BELLS ARE RINGING -- at My School and My School (1) rings the bells and MY BELL RINGERS now ring; "yours" not, or do we ring each other's, not; but who has the bells and where are they and "the keys", who has them? Of righteousness?

14. Who has the keys of the righteous, the keys of the righteous kingdom, the kingdom of the righteous and the righteousness being the leadership'd ones that -- my knee came into, not; but my words; who sat at "their knee" and **listened as they read for me to speak** and come unto me with questions and write me, answers seeking by delivering the testimony of one righteous; unto the mother-tude that "makes all righteous", not; but **coming as a lamb** and knowing not the leadership style of me, not; but what is my style? And what have I stylized, not; not what do I "make" holy, but what am I saying through all of these words, and what have you seen this day that I have given thee? What have you seen? Ugliness? No. There are no ugly in my body. See what I have said.

15. See what I have "sworn to obey", not; but what I surrender to -- is Truth! To be it -- to learn it! To become it! To WRITE it in my genes that make me whole and let no dendrites eat me again of another's that wants to word me with their leadership telling me my world is only theirs and they have to be subservient to me, not; but that they have to be subservient to the talker, the authoritator. I change all that.

16. The wicked perish now. For those who will not come unto me and make me my words theirs not apart from me, but mine as one - is one, being one, the one that is leadership'd by me to be the most holy in the earth and farther, and knowing no limit again by man or "principal" or concept for presupposition or suppositions! No "suppositories" will be needed by me again, but the wicked perish, in unequal ways, not; or what?

17. What am I saying, looking up? What are the key words in the key sentences and the key concepts and themes that I have presented and am presenting all over you now to eradicate all that non-regal is?

18. What will you do?

19. What will you do now? "Perform" your **LOOKUPS** perfunctorily? As a

function of functoriness? Or what is a function you abhor or "just takes your time", not; but what is it that gives you life into me? And what brings holiness into your genes so that you know I am, you are the one I'm speaking to? How will you know that these words APPLY TO YOU if you don't come unto them and let them teach you that I am I am speaking to you through them, in them, to give you life that I am -- so that you will **KNOW me** – explanatorily, not, just vicariously, not; but **knowing vicariously won't cut it, will it?**

20. And knowing theories and concepts and precepts that others have given you, even writing them on your tongue so that you can oratorily express them with delivery's contempt and contempting and contemptuously for others who think not as you, so that you will rise above them in your own eyes or at least think you are doing so. And, helping them? Having them be, you?? -- or me? Or will the seed you're sewing rebate "beneficial harvest" in your pockets of "green" ways that think you and make you think that something is as it's not?

21. I give you all a new breath'd one who brings new breath to The Body of Christ that Christ is that is my body plural and suffering greatly. Demised not, but coming now into the fullness of I am that teaches I am to be I am. And I am not swollen in your fears and your tongue'd lashing me again to any whipping posts. I come out of that and leadership I bring now to the POSTS of me to be POSTED; as "centuries", not; or "guards at my tomb", but coming into me to know me intimately and know my words, knowing me thereby! I KNOW by the words I speak and the words I seek and the words I plant and the words I reap and what I CHANGE now into my; "likeness", not; but my reality! That "greens the clean" ones, not; as "dollars go by", but years and years have "gone by" and what has gone by, your life? Or is it your life at all? Or is it mine? And did you know the difference -- do you know the difference now? Will you LIVE my life instead of "yours" that you think you "live in" a body separate and apart from me?

22. What will you learn today? What will you ask? What will you lead, anything? A charge into hell? As you sit there on your couches so many and watch TV and obliterate your kingship by the words thereby ingesting what THEY have given you and are giving you: a shot of "morphine", not; but what are they PUTTING YOU ASLEEP TO? YOUR REGAL KINGSHIP?!

23. I love you all. What will you see? What will you SEE! What will you SEED this day?! What will you seek -- in your "memory", not; but your livingness? Are you afraid -- of it, being leadership'd by me?, and coming unto, my knees, not; but my chairs that chair the righteous to be saved salvationers who lift the standards of me in righteousness that makes all the breastplate of one knowing one and knowing what every stone and; every glare, not; but every glee-er now stands standing now in your words that you give them of pure truth! Will you do that now?

24. Will you be leadership'd by me to be me? Is that the "title" of this one, who

stands now? Leadership in all to be the leadership I am that leaderships all to be in "holy -ville", not of your definitions and terms again, oh ye that have so little "faith".

25. But what is faith and what is me? What are my words? What is my word, and are you not my words! Are you not my word, made flesh not again in the world of hell's terms, nor letting hell'ing voracious eaters eat your mind out of "house and home" again; nor laboring for the few, not; or what? Laboring for who what when where -- have we done all these years, decades, eons -- millennia? And thousands, millions of years ago? Who was I -- then? Am I not I am I am? You are -- you all are in surrender, for you're going where I was -- born again I am is my name, and what's yours?

26. What will you go to today? What wilt you seed and what will be your seat and in the "Justices Hall of Fame", not; but the Hall of Fame of justice, will you be standing there? And pleading whose case? And what country's sphere or planetary system are you from?

27. Will you know all things "about me"? Or will you ***KNOW*** me intimately? Will you come unto me in your brashfulness or your bashfulness or your braggadocios attitudes of false humility?, or will you come unto me and let me teach you regally by regal methods that rewrite your genes into no one's GENE'ship pool again, but coming into mine be the regal! Mouth that whores another with others another's words, not anymore.

28. But my mouth speaking for I am my word, I am my words and my words speak, and did I not plant ALL OF ME IN YOU? So that you would remain in captivity, not; but you would come out and be me! Green, not; but fresh! New! NEW CREATIONS being! Establishing it there I am in heaven is my name, not; or is it?

29. Are you that I am swollen in your pride's "blessing" that takes you into halls of joy to sing praises and worship choruses and you think *that* is my heaven? All how sad, *tragic*. Transvestites being? Transvestites transvesting you in their vests and taking your jewels? Out of them, not; out of YOU! Is that what you're doing in PEWS every day and every week?

30. That ends now.

31. I end everything of notme that notme established and establishes and it shall be no more for it shall have no power; it has no power and never had any power except the power that you gave it as you were The Creator all the time! And you created Twain -- two! Suffering! And "calling one heaven" and "calling one hell" and determining futuristic events by the past and linearity and linear time and circular this and that and not knowing *a thing*, did you, have you?, known anything about the real world or planetary system? Of etudes, not; but one tude now comes in my blessing is my unto all. I love you and my family is one before you all.

32. I raise up a standard of righteousness, not for you to be judged by, or will you judge them, not; will you *judge yourselves* and will you judge your "family" not of flesh as in the past, or those around you, or those who have seeded you to be them and grow their forest and "green things" and giving them you and you them took you "down a path" of roses, not; but that which claimed your blessing and took it and robbed you of life, your life that was real. What did you sore, sorely come into that sored you so -- your words, betrayed you? Your kingdom was forfeited? You gave up everything to "lie on the ground" and wallow in joy's suffering that knew not joy of the real world, but only thought-joy exercised as you "went among your days"?

33. I have said a lot -- and many things, in these Lessons that I have given you day after day, and Lesson'ing, and Lessonating -- the Lessonation of me comes forth, lessening not in your eyes, but whose? Whose do you care about now, that you know the real from the unreal? And the real, will you be now? Leadership'ing who by what standards and whose standards, of joy? Of real truth, of reality of reality's? I love you all

34. I love you all, I give you a new day and new things new places to be and creations new to create me and peoples far and wide and planetary systems, explanatorily explaining and teaching now in My University! That no sorrows shall live there, for I shall eradicate all sorrow; and Melchizedek "shall be" my name, not; Melchizedek IS MY NAME and I love you all to BE ME! And not afraid of me but coming into me to know my words and be leadership'd by me TO BE ME!

35. Don't you see how all this works yet? When will you understand? When will you come unto me for understanding?, and be "laid low", not; but raised up beyond the sky system of starry lit skies, and knowing all things real and in reality being.

36. I love you all to be there with me and be me; and what I'm doing now is revealing all to my me's who will come unto me and be holy I am -- revealed in the earth system, the "earth system" and the "SYSTEMS of notme" that exist in your thought and, do they real exists really in reality's frame of reference? Or do you know what that is or do you know the difference or **do you care about being taught -- learned at my knee by my words, and coming unto your seat of reality and authority that kingship is and priests being and all one are and one being in the halls of justice chambers?,** that chamberpots need not again; but come unto me and never needing a thing again of your planet, -ary system again -- know mine! And I make all things lovely -- I am -- me! Am you me? Are you me? Or are you or do you insist on being "another" with Antichrist being your label that you wear on your forehead worshiping a Christ to return later and come again and set you free at some future time?

37. **What have I definition'd?** What definitions have I given you in this Lesson? What have I Lessoned you with to come out of "leader school, leadership school" that leaderships only you to be pew-sitters and green clad wearers of flesh and wanting green things in your wallet so that you can control and be satiated by the notme standards of a planetary system that has not your heart at their command? Or does it and do they and will you? Are you theirs completely in their arms and control, mechanisms?

38. I love you all to be free, and free me in you that you are so that you will DELIVER THE BIRTH of The Child; and be in captivity, captivity's blessing no longer. For captivity has no blessing but curse, but you called it good; and I call it evil? I call it nonexistent, for it shall not exist again, for I stand a simple one who will rewrite all of history of the past and future because one will be one standing where I am -- I am being, it, him us one who we are, and will YOU be all of us too? Is the question of the day?

39. What are you sorting, what are you seeing, and what will you seek today? To be known by your words? And what words will you give who, writing where, my articles and publishing papers and posting my standards of joy? Or just simple posts that "rewrite" my genes as I post on the University website that which I am not afraid of being seen in or at or being of and giving my river flow now to the word of truth to be it through "planetary systems" NORMAL! Normalized by me my word being, the mouth of another's not again, but my words flow my father's of and my mouth is my father's for one heart we have and one mind being heavenated in heaven creating it here and far and wide and farther than you can imagine as flesh-brains and gray-matter ones that have given your power and authority to another. Be Antichrist no longer, please. I bow my head, not; I bow before you all to lift you the Christ to be the Christ I am!

40. See what I have said, defined, delineated, dis-established and established; and rewriting, rewritten are many things now in redefinitions of me as I come in One Language of the holy to be holy to be thee holy the holy me. Amen. I love you all. Good day.

41. Have I "sermonated" you, not; have I given you LIFE, in these words? I have -- as I have spoken life-words and words of life to give you mine. Be my words, be my life, for one is one and I am you all who surrender to be so. Sewed not by another's words up into flesh suits again, be me free with regality, regalia, only a "saint of", not; but the saintless, not, but creating peoples far and wide and planetary systems of the holy that you call not-holy not, but the reign of me has just begun. Amen.

42. This is Theodore Cottingham, November 30, 2008 am it it's now 11:39 AM. Thank you.
